## Crime & Crime Rate Continue to Decline Despite Regional Trends

The Loudoun County Sheriff's Office continues to see a decrease in overall serious crime based on preliminary data from the agency's Crime Analyst Unit.

Crime statistics tracked in accordance with the national standards administrated by the Federal Bureau of Investigations Uniform Crime Reporting (UCR) Program found that the LCSO saw a 9% decrease in Part 1 crime between 2020 and 2021.

According to the Metropolitan Council of Governments (MWCOC) Annual Report on Crime and Crime Control released in October 2020, the LCSO had the lowest reported crime rate in Northern Virginia.

The rate of serious crime saw 5.8 crimes per 1000 residents in Loudoun County in 2020 from 2019, and is nearly half the crime rate since Sheriff Mike Chapman took office.

The report also found the National Capital Region saw an 8.4% increase in the total number of Part I offenses in 2020 from 2019. The LCSO reported a 13.5% decrease in Part I crimes during the same time period.

The serious crime rate has continued to decrease despite extraordinary growth in population in the county, experiencing an additional 110,000 residents over the past decade.

The LCSO did see an increase in homicides in 2021, investigating four homicides, up from one homicide in 2020 (see page 5 for details on these cases).

The MWCOC Annual Report on Crime and Crime Control focuses on Part I offenses as defined by the Federal Bureau of Investigations including homicide, aggravated assault, rape, robbery, burglary, auto theft, and larceny.

The report can be found online [here](#).

## Staying Informed on Public Safety Matters

The Loudoun County Sheriff's Office reminds residents to keep an eye on crime in their neighborhood by utilizing the CityProtect database.

Residents can go to [sheriff.loudoun.gov/crimereports](https://sheriff.loudoun.gov/crimereports), plug in an address or area they would like to search and the database will do the rest.

The Loudoun County Sheriff's Office utilizes [cityprotect.com](https://cityprotect.com) (formerly CrimeReports) to allow residents to go online and view recent crimes in their community.

Residents have the ability to review up-to-date crime information for any location under the jurisdiction of the Loudoun County Sheriff's Office.

The LCSO began this free service to the public in 2008, allowing Loudoun County residents easy access to neighborhood crime data in near-real time, however, it is important to understand that due to the timeliness of the reporting, investigations will not yet have been completed, and the information will be preliminary and subject to change during the course of the investigation. Crime incident data is updated nightly by the Loudoun Sheriff's Office.

### The basic information that will be received is:

- Type of incident
- Date of incident
- Block address location
- Further Description of Incident

Residents are also encouraged to sign up the agency's Daily Incident Report.

To receive the reports, residents can sign up to Alert Loudoun at [sheriff.loudoun.gov/alertloudoun](https://sheriff.loudoun.gov/alertloudoun) and select the neighborhood watch category.

## Loudoun Courts Complex Expansion Moving Forward

The LCSO continues to stay up to date on the program of Loudoun Courts Complex expansion. The project is located at the corner of Church Street and Edwards Ferry Road in downtown Leesburg. The construction began in April 2020 and is expected to be completed by early 2023.

The Courts Complex Expansion project includes the design and construction of a new 92,000-square-foot Loudoun County District Courthouse and renovation of existing court facilities, including new parking facilities.

The project is on schedule for substantial completion in October of 2022.

The LCSO is working directly with the Contractor and Capital Construction by attending weekly meetings and being provided daily progress reports. These meetings have allowed all involved parties a level of continuity in maintaining the safety and security of the entire Courts Complex. In the next quarter it is anticipated construction of the tunnel, connecting the two buildings to begin. During that construction advanced security systems will be installed to include cameras, card access, door controls, and a secured inmate pathway.

Since the late 1700s, Loudoun County has convened court proceedings in this same area, and the historic courthouse that still stands there today and remains used to this day was erected in 1895.

In the late 1990s to 2002, buildings on the grounds used for Juvenile Courts, Circuit Court, and General District Court were renovated to the existing court complex.

Photo: Sheriff Chapman notes the steel beam utilized as part of the topping out ceremony of the expansion of the Loudoun County Courts Complex.

The ceremony was held in March 2021 and symbolized the completion of the steel installation.

## Honors and Recognition

Members of the Loudoun County Sheriff's Office were recognized at the November 3, 2021, Loudoun County Board of Supervisors meeting for receiving two 2021 Achievement Awards from the National Association of Counties (NACo). These awards honor innovative and effective county programs that strengthen services for residents.

## Intersection Crash Reduction

In 2020, the Loudoun County Sheriff's Office created a traffic safety initiative to reduce the number of crashes at intersections within the county. The central focus was to increase traffic safety and educate residents about the dangers of distracted driving and other behaviors that can lead to crashes. As a result, LCSO reported a 50% drop in crashes at several of the most crash-prone intersections in the county and a 35% drop in total crashes in the county. The program included a partnership with the Virginia State Police and the Virginia Department of Transportation.

## Prescription Delivery Program

To help the county's senior residents and those who are more vulnerable to Coronavirus (COVID-19), the Loudoun County Sheriff's Office created a no-cost prescription pick-up and delivery assistance program. Interested residents contacted the Sheriff's Office to request the service and notify their pharmacy that a uniformed Sheriff's deputy would pick up the prescription. The deputy delivered the medication, allowing the residents to stay home and stay safe. This program continues today, with Deputies having safely delivered over 330 prescriptions to county residents.

## In the Community

The LCSO held another successful toy drive in partnership with Cole's Closet, a nonprofit organization that collects donated toys to fill "closets" with toys for children while they are at the hospital.

Through the kindness of the Loudoun residents and businesses, members of the LCSO Motor Unit collected over 2,000 new toys, and have collected a total of over 13,000 toys since the toy drive began in 2016.

Many of the toys are delivered to children hospitalized at Inova Loudoun Hospital during the LCSO's Annual Santa Ride. During this event you see many a smiling face- on both the children and deputies alike.

One of the many groups donating toys was the kindergarten class at Waterford Elementary School.

The young entrepreneurs held their annual Kindergarten Ornament Stand to buy toys for the LCSO and Cole's Closet Toy Drive. The students learned about advertising, earning money and making change at the stand, and of course the spirit of giving. In total, they raised over \$600.

Amazing!!!

Members of the LCSO were honored to join Rabbi Chaim Cohen of the Chabad of Loudoun County - Center for Jewish Life for their Grand Menorah Lighting at the Lansdowne Town Center to help bring warmth and hope to the holiday season.

## In the Community

In January, the LCSO was privileged to be invited by the Broad Run Homeowners Civic Association to honor a very special young man who attends Potomac Falls High School.

Ryan Alam is battling a rare terminal neurological disease called Neurodegeneration with Brain Iron Accumulation, or NBIA. His version of NBIA is mitochondrial-membrane protein-associated neurodegeneration, or MPAN. Since his diagnosis, Ryan's parents have worked to give their son as many experiences as they can, including parachuting with a member of the U.S. Army Parachute Team, the Golden Nights, last year.

Ryan received the Broad Run Homeowners Civic Association senior scholarship which was presented to him during a special ceremony in his community.

As part of the event, Deputy Mitchell Dively, an LCSO School Resource Officer at Potomac Falls High School, provided Ryan a short ride through his community in a patrol car, and to the destination where he was presented the scholarship.

Ryan was joined at the event by the Potomac Falls High School football team and many members of the community.

Members of the LCSO were honored to be invited to Miranda's ringing of the bell ceremony in December to help celebrate her last day of chemotherapy.

LCSO deputies met Miranda two years ago when she was diagnosed with Leukemia at the age of 2.

Over the past two years, LCSO deputies have continued to meet with Miranda and she wanted to make sure her police friends were here today to help her celebrate.

We are honored to call her our friend.

Also in December, members of the LCSO had the honor of helping to celebrate the 100th birthday of a true American Hero, Ms. Claire Evans. Claire is a WWII U.S. Army veteran who served in the U.S. Army Nurse Corps.
